## **Introduction**

HOME Investment Partnerships Program (HOME) are funds allocated by HUD to eligible State and Local governments to expand the supply of decent, safe, sanitary and affordable housing (24CFR Part 92).

The City of San Antonio's (COSA) Housing & Neighborhood Services Department (HNSD) administers a down payment and closing cost assistance program out of HOME funds. The Homeownership Incentive Program (HIP) is federal funds made available to eligible first-time homebuyers. The HIP program provides homeownership opportunities for low to moderate-income families.

Families from various backgrounds with income below 80% AMFI, may qualify for an FHA 203B, FHA, VA or a Conventional loan to finance the purchase of an existing or newly constructed home. However, some of these families are unable to save the money needed for the down payment and closing costs that are required from the lender. HIP provides the necessary financing in the form of a second lien mortgage. Assistance may be provided in the form of a three percent (3%) loan with a perpetual amount.

Policy clarifications or general questions should be addressed to the City's Housing & Neighborhood Services Department (HNSD). Please contact either Esther M. Hernandez at 207-5421, Adolph Torres at 207-5420 or Rene Palacios 207-5423.

## **WHO QUALIFIES FOR ASSISTANCE?**

**To be eligible for participation in the HIP, clients must meet all the following criteria:**

1. The household's gross annual income cannot exceed eighty percent (80%) of the Area Median Family Income (AMFI). See HUD income sheet on page 8. Household income consists of all money received or earned by any person 18 years of age or older who currently resides or who will reside in the structure to be purchased. This includes all income earned, i.e., part-time employment, overtime, child support, bonuses, SSI, etc. HNSD reserves the right to re-verify the household's gross income if more than 6 months has lapsed from when borrower was initially qualified.
2. During income determination, household assets over \$5,000 will be calculated into the annual income at a rate of 2% (passbook rate). For example, 401k, or a retirement plan.
3. The borrower must be a first time homebuyer which is defined as follows:
  - ❖ Have never had ownership interest in any residential property for at least three (3) years prior to applying for HIP down payment assistance
  - ❖ Displaced person or family individual that involuntarily moves from real property permanently as a direct result of acquisition, rehabilitation, or demolition.
  - ❖ Single parent or single person.
4. The City prohibits providing assistance to persons not lawfully present in the United States. All contributing members of a household receiving HIP funds must be either a:
  - ❖ U.S. Citizen
  - ❖ Permanent Resident Alien
  - ❖ Temporary Resident Alien with permission to work in U.S.Documentation of status will be required.
5. The borrower must occupy the home and declare it as their homestead for tax purposes during the term of the program assistance.
6. The borrower must qualify for an FHA, VA or a Conventional mortgage loan from a legitimate mortgage lender.
7. Owner financed loans does not qualify for HIP funds.
8. Purchaser must attend COSA's homebuyers' training session and submit a certificate of completion form as soon as possible, prior to closing.
9. Purchaser should deposit a minimum of \$500 in earnest money receipted by the title company prior to closing the loan at the title company.

## **WHAT TYPE OF HOUSE QUALIFIES?**

1. The house to be purchased must be located within the San Antonio City Limits. Check Bexar Appraisal District [www.bcad.org](http://www.bcad.org) website records using the physical address of the property in question to determine if it's within COSA's city limits.
2. The maximum sales price of the home shall not exceed **\$110,000.00** "Affordable Home Price", established by San Antonio City council. This amount is subject to change.
3. Assistance will not be provided to a buyer where said assistance would result in dislocating a residing tenant. However, the dwelling would be eligible if the tenant is the buyer of the property. A signed COSA certification form (Uniform Relocation Assistance and Real Property Acquisition Policies Act Notice and Certificate of Owner/Seller) from the seller stating that the home has been tenant free for 90 days prior to signing the Earnest Money Contract will be required on all loans. See pgs. 16-17
4. The home can be an existing or a newly constructed property. A newly constructed unit is a property, which received a Certificate of Occupancy within a one-year period prior to the commitment of HIP funds. Newly constructed properties must meet the Model Energy Code and certification must be submitted to HNSD by the builder or the lender before closing.
5. Unit to be purchased as the borrower's principal residence can be single-family unit, condo or two-four unit property. For two-four unit property, assistance will be provided only for the unit to be occupied as the purchaser's principal residence. Example: A total of \$6,000 is needed to close the purchase on a duplex,  $\$6,000 / 2 = \$3,000$  adjusted, maximum HIP assistance available.
6. Condition of unit must be safe, decent and sanitary. Must meet all City Building Codes and federal standards including Environmental Lead Based Paint and HUD's Housing Quality Standards (HQS 24CFR, Section 882.109) to be completed by COSA staff. HQS is not a substitute for the TREC final inspection report requirement.
7. Unit must contain adequate living space. HIP funds are governed by certain Federal Regulations to ensure that funds are not used to contribute to overcrowded housing conditions. Refer to Page 10 for Occupancy Standards.
8. For units built prior to 1978, a visual assessment on all painted surfaces shall be performed for detection of lead based paint in accordance with 24CFR part 35.1015. At COSA's discretion, a lead "clearance" report may be required even though there may not be children in the household.
9. If the property to be purchased is located in flood prone area, the homeowner must maintain flood insurance for the term of the loan.

**IT IS RECOMMENDED THAT THE LENDER VERIFY THAT THE FILE IS COMPLETE AND CREDIT APPROVED, PRIOR TO SUBMISSION TO HNSD. Submit files by mail, courier or delivery; no fax or emails will be accepted. All documents must be legible.**

Upon receipt of a "credit approved" packet, HNSD begins processing the request for assistance. The following describes the processing components:

1. Packet is reviewed to ensure completeness, accuracy and eligibility. There is a 7 – 15 day turn around.
2. HIP PROPERTY REVIEW report is ordered by HNSD's personnel. The Property Review report will be reviewed by HNSD's personnel. Realtor, lender and buyer will be advised of any required repairs, and need to let HNSD know whether to proceed with loan process if property does not pass compliance.
3. A review of the proposed property will determine if the structure has sufficient living/sleeping space according to HUD occupancy standards to accommodate the family size.
4. By reviewing lender's GFE and MGAW, HNSD's loan officer computes the amount of HIP assistance and pay back amount.

6. A Department of Grants Monitoring and Administration Down Payment Assistance Site Specific Environmental Review Record (ERR) is conducted by HNSD per HUD 24CFR 58.6. Certain ERR results may have a negative impact on HNSD's ability to provide assistance (i.e. air and noise thresholds.)

9. HNSD's loan officer submits copy of the executed commitment to the lender.
10. HNSD's loan officer calls the title company when HIP closing legal documents are ready to be picked up. Coordination with HNSD's loan officer is essential to meet closing schedules and avoid delays.

Buyer(s): \_\_\_\_\_

Address of Property Under Consideration: \_\_\_\_\_

Dear Owner(s)/Seller(s):

Property believed to be owned by you is being considered for purchase, as referenced above. Federal funds in the form of down payment and closing cost assistance to the Buyer(s) may be used in the purchase of your property. The City of San Antonio ("City"), as a recipient and grantor of said federal funds, is required to disclose the following information by the U. S. Department of Housing and Urban Development (HUD) in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act as amended (URA), Section 24.101(b)(2):

1. The proposed sale is voluntary. In the event negotiations fail to result in an agreement, the property will not be acquired by either voluntary purchase or eminent domain.
2. The fair market value of the property is estimated to be \$\_\_\_\_\_. However, since this transaction is voluntary, current or future negotiations may result in a different price that may be the same, higher or lower than this amount.

An owner-occupant who sells his or her property under these terms does not qualify as a displaced person for relocation payments. Additionally, any person who occupies the property for the purpose of obtaining assistance under the URA does not qualify as a displaced person. However, tenant-occupants displaced as a result of a voluntary acquisition may be entitled to URA relocation assistance and must be informed in writing as soon as feasible.

In accordance with HUD requirements, if the information provided above is disclosed after an option to purchase or contract has been executed between the Buyer(s) and the Seller(s), the Seller(s) must be provided the opportunity to withdraw from the agreement.

**Any title deficiencies, liens, or encumbrances on the property must be cleared prior to any closing. Generally, this is a cost that is borne by the Seller(s) of the property; however, payment of these costs may be negotiated between the Buyer(s) and Seller(s). Federal funds may not be used to pay these costs.**

In accordance with the City's Homeownership Incentive Program (HIP) Guidelines, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended (URA), and Section 104(d) of the Housing and Community Development Act of 1974, the property will not be eligible if the owner either: (1) evicts a tenant for the purpose of selling the property, which said determination shall be at the sole discretion of the City; or (2) fails to renew a lease for the purpose of selling the property. City's assistance under the HIP Program will not be provided to a buyer where said assistance would result in displacement of a residing tenant.
